

OH&S Policy

Viney Plumbing & Building Maintenance above all else aims to protect human life.

We are committed to provide a safe work environment, to perform our activities in compliance with our management system, legislation and all other applicable OH&S requirements.

Viney Plumbing & Building Maintenance is committed to continual improvement aimed at elimination of work related injuries and illness

We recognise our responsibility to provide and maintain as far as practical, an environment that is safe and without risk to health of its employees and visitors.

We expect employees to take reasonable care for their own health and safety, and that of their work companions, visitors and the public, and support and assist the company objectives to improve health and safety conditions.

We are committed to comply with the legal requirements of Health and Safety and all other applicable legislation or legal requirements that apply to our enterprise.

We set and review our OH&S policies, objectives and targets regularly within a framework of consultation with our employees and other related interested parties.

We are committed to establish measurable safety objectives and targets aimed at prevention of work related injury and illness.

We continually seek to improve our performance in respect of health and safety by following the processes and reviews laid out in our management system.
